LETTER FROM DR. HANNAH [redacted] Found Dr. per Mrs. Found by Personnel 95

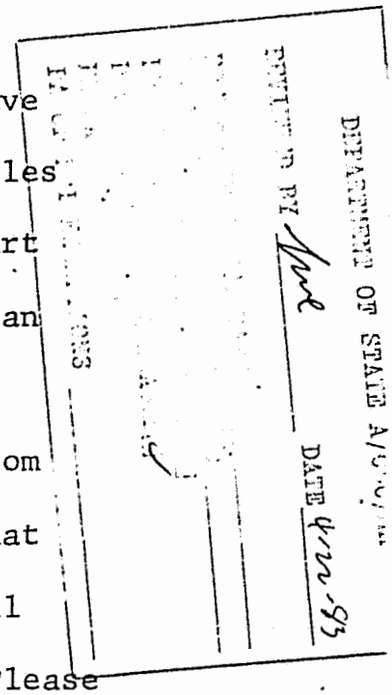
Dear Mrs. Mitrione:

I want to express my deepest sympathy to you for the lossof your husband. My feelings are shared by all of the people of the Agency, whose thoughts are with you.

Dan was highly regarded by all of us because he exemplified the true spirit of his professional calling by devoting his efforts and his heart to the service of people who seek peace and progress with justice.

It may be ~~a~~ small comfort to you to know Dan was held in the highest esteem as a professional and as a man and that his contribution will not be forgotten. He belongs to a special ~~cadr~~ Corps of dedicated heroes who have devoted ~~h~~ their lives to the best values and principles of free men. In his efforts, he helped to make a part of the worthy history of man. This kind of person can never be forgotten.

I'm so sorry that this tragedy has taken Dan from you and your wonderful family. We know the grief that you and the children must feel and hope that God will comfort you and give you strength for the future. Please let me know if I can be of any help in this tragic hour and in the trying months ahead.



Same high dedication to his family as he did his work and profession. We know he was a religious and good man who practiced faith, hope and charity in every facet of his daily life. When a man has this reputation among his associates and friends, he must indeed be of a very special breed. We know also that seeking consolation from Dan's senseless and unfortunate death will not be easy for such a personal loss as a husband and a father is not easily reconcilable. Maybe the best consolation that I can give is that what he did with his life reflected the high standards of how he lived and he did it well.

Be assured that AID and especially Dan's friends here in Washington are eager to assist you in any way.
